Chase the Bully Stopper, Always a friend to protect and defend!

Our family cares about your family. We want to let your children know that bullying is not acceptable for any reason. We are all different and Chase the Bully Stopper, Always a Friend to Protect and Defend! wants you to know that we can all be kind.

As your child colors the pages of this book they will see that bullying someone for something as small as the color of their hair can hurt deeply. The love of a beautiful, caring dog can make them smile and begin to mend a broken heart and hopefully stop that person from bullying someone else.

If you or someone you care about is being bullied, don't be afraid to speak to your parents, a teacher, your pastor or another friend. Get help today. Together we can end bullying! Chase the Bully Stopper, Always A Friend to Protect And Defend! wants you to have the confidence to be yourself!
